Do you really know these candidates?

Andrew Burks and Jack Christie say they want to represent Houston but they're out of touch. They have extreme views on women's health and do not support a woman's right to choose **even when she has survived rape or incest.**¹

Andrew Burks thinks the solution for preventing unintended pregnancies is for **HPD to issue tickets to young men who wear sagging pants.**³

When asked about Planned Parenthood in Houston, **Jack Christie** said it's **"against the will of God"**.²
